Catering φιλοξενία

When it comes to special events it is much more than catering for us. Our approach strives to embody the traditional Greek idea of 'filoxenia'. The official translation into English is 'hospitality' which fails to accurately define what the idea and word means in Greek. Literally, it translates as a 'love of guests through the generosity of spirit.'

At Platía Greek Kitchen we display our 'filoxenia' as we welcome your guests and share with them our passion for fine Greek food made with the finest ingredients. Let the ambiance of our restaurant set the scene for your next party, from intimate gatherings up to parties of 80 guests. Our culinary team will transport your guests to Greece and can also accomodate your off-premises catering needs.
